Showtec Edison Vintage V1

*Retro DMX LED light with dimmer
and E27 socket*

EAN: 8717748606570

The Showtec Edison Vintage 1 is a large-format, stylish LED light with a retro look. Equipped with an E27 socket suitable for a design LED bulb, it delivers a cosy, vintage glow ideal for stage, studio, or themed environments. The built-in dimmer supports both DMX control and manual operation, with smooth voltage-based dimming for authentic incandescent-style fades. An intuitive OLED display ensures easy configuration, while the quick-lock bracket allows for fast, secure mounting on truss or 50 mm pipe systems.

LED bulb not included.

Special features:

- DMX LED dimmer with E27 socket
- Manual and DMX control
- Quick-lock mounting bracket included
- OLED display for easy control
