Showtec Festoonlight Q4 Booster

For 4 to 6 festoon strings

EAN: 8717748468635

The Showtec Festoon booster needs to be used as soon as you would like to expand the number of Festoon strings on your controller. For each controller a maximum quantity of 3 Festoon strings can be connected together. Only if you need to expand this quantity to a maximum of 6 Festoon strings per controller the booster is required.

Special features:

- For controlling up to 6 Festoon strings per controller
