Showtec Controller for Octostrip FLEX

Dedicated controller for Octostrip FLEX

EAN: 8717748579348

The Showtec Controller for Octostrip FLEX is a dedicated IP65-rated controller that can control up to 8 units of the Showtec Single Strip for Octostrip FLEX. It can control the 1 m and 0.5 m versions (mixing both lengths is not possible). The controller supports Art-Net and DMX, but also has stand-alone modes with built-in colour presets and colour sequences. It uses 5-pin XLR DMX connections and Power Pro True power connections. It has a robust aluminium housing with multiple mounting options. Octostrip FLEX strips and dedicated cables to connect the controller to the strips are available separately.

Special features:

- Controls up to 8 individual strips of the OctoStrip FLEX
- DMX, Art-Net and stand-alone modes
- IP65-rated enclosure
