## Showtec Zoom Lens for Performer Profile

*Manually controllable zoom lens -  
25° - 50°*

EAN: 8717748358790

The Showtec Zoom Lens for Performer Profile 25° - 50° is a manually controllable 25° - 50° zoom lens for scaling and focusing the output, suitable for the Performer Profile 600 LED MKIII, 600 DDT and 650 Q5. Its four manual adjustable shapers enable you to shape the output and you can easily put a filter frame into the filter frame slot situated in front of the lens. The Zoom Lens for Performer Profile 25° - 50° has a strong aluminium body and is designed to survive the rigors of frequent touring.

### Special features:

- Manually controllable 25° - 50° zoom lens
- Suitable for Performer Profile Fixtures
- Four manually adjustable shapers
- Filter Frame slot
- Strong aluminium construction
