Showtec Performer Profile Mini

*20 W Warm White Theatre LED
ellipsoidal - 3200 K*

EAN: 8717748463845

The Showtec Performer Profile Mini 3200 K is a 20 watt Warm White COB LED ellipsoidal with high CRI and silent operations, suitable for theatrical applications. It projects a hard-edge precisely focused light. The Performer Profile Mini 3200 K features a 0 - 100 % DMX dimmer function and has optional 19° - 36° fixed and zoom lenses and gobo holders for zooming, dimming and shaping the output to your desired projection.

Please note that a Shutter Barrel is needed for mounting the lens onto a Performer Profile Mini fixture.

Special features:

- 20 W Warm White COB LED ellipsoidal
- Suitable for theatrical and studio applications
- DMX dimmer function
- Silent operation
- Hard edge, precisely focused field of light
