Showtec Pixelbar 16Q6

Indoor RGBWA-UV light bar

EAN: 8717748483577

The Showtec Pixel Bar 16Q6 is a cost-effective LED bar with 16x 6-in-1 RGBWA-UV LEDs. In order to ensure complete control, this batten offers full pixel control in 101 channel mode to create beautiful colour flows, but can also be controlled in 6, 8, 12 and 96 HSV & HSI modes for more basic use. With the RGBWA-UV LEDs, it is possible to create both saturated and pastel colours. The UV colour makes the Pixel Bar suitable for special FX in combination with UV colours. A clear LCD display with an intuitive menu structure makes setting up as easy as ABC. Multiple mounting positions make rigging easy, allowing creative setups.

Special features:

- RGBWA-UV LEDs
- Individual Pixel Control
- DMX and Art-Net Control
- Brackets included

Specifications:

Source

Light Source Type	LED
Light Source Quantity	16
